D.O. No. B-12011/07/2017-SNP

9<sup>th</sup> November, 2018

DDPMKVY  
20/11/18

Dear Shri. Dhesi,

This is with reference to this Ministry's D.O. No. B-12011/07/2017-SNP dated 27<sup>th</sup> December 2017 (copy enclosed) regarding implementation of GST training under MSDE's flagship scheme Pradhan Mantri Kaushal Vikas Yojana. The 100 hour job role called GST Accounts Assistant was launched on 15<sup>th</sup> July 2017, so that a network of GST professionals can be created to support Small and Medium Enterprises (SMEs) in the process of filling their returns under GST.

2 In the first year of implementation of the training program, noteworthy training took place across all the states with over 75,000 aspiring GST professionals being trained. State wise training achievement is attached at Annexure 2 for reference.

3. MSDE has taken various initiatives at its end to ensure optimum advocacy of the training program. Dedicated social media and print media campaigns were launched for promoting awareness about the GST course under PMKVY. Further, MSDE has been taking initiatives for enhancing the employability opportunities for these GST trained youth. On MSDE's direction, NSDC has hosted the list of GST trained youth on its website. This facilitates for SMEs to reach out to the training centres for direct hiring of trained and certified candidates as per their preferred location. MSDE is also working to ensure that this list is also hosted on GST Network Website along with the database of GST practitioners across the country.

4. In view of the success of the GST training program and MSDE's efforts in providing a facilitating ecosystem for its seamless implementation, states are also urged to leverage the GST course to make it a part of the state level skill development programs. The states may also use this job role for implementation of PMKVY under the Centrally Sponsored State Managed (CSSM) component. MSDE will ensure that all the required support, regarding content, curriculum and assessment is provided to the states through NSDC and BFSI SSC.

5. MSDE aims to create a network of skilled and trained GST Practitioners to support businesses and entrepreneurs adapt to the new tax regime and make it a success, and sincerely hopes for an active participation of the States in realising this objective.

D.O. No. B-12011/07/2017-SNP

27<sup>th</sup> December, 2017

Dear Sir / Madam

As you are aware that Ministry of Skill Development and Entrepreneurship (MSDE) through Banking, Financial Services and Insurance Sector Skill Council (BFSI SSC) and National Skill Development Corporation (NSDC) is implementing a training program for training the youth in GST concepts. For this purpose, 100-hour job role called GST Accounts Assistant has been created. The training under this job role is currently being executed under Pradhan Mantri Kaushal Vikas Yojana's (PMKVY) Centrally Sponsored Centrally Managed (CSCM) component. To further enhance the skills and competencies of the aspiring GST Practitioners trained under the program, NSDC has also incorporated 40 hours of digital and entrepreneurial lessons in the job role. Graduate youth from commerce and related backgrounds can undertake this training program.

2. It is envisaged that once the youth is trained under this training program, he/she can support small/medium enterprises in the process of filling their returns under GST and facilitate the smooth implementation of the new tax regime. To further enhance the employment opportunities of the GST trained youth, MSDE is actively engaging with Ministry of Finance to ensure that candidates with NSDC and BFSI certificates are ipso facto recognised as GST Practitioners, as provided under Section 48 of the GST Rule 2017.

3. MSDE desires that this training program should also be leveraged by all the states in the country and be made a part of the state level skill development programs. The states may also use this job role for implementation of PMKVY under the Centrally Sponsored State Managed (CSSM) component. MSDE will ensure that all the required support, regarding content, curriculum and assessment is provided to the states through NSDC and BFSI SSC.

4. MSDE aims to create a network of skilled and trained GST Practitioners to support businesses and entrepreneurs adapt to the new tax regime and make it a success, and sincerely hopes for an active participation of the states in realising this objective.

Regards,

Yours sincerely,

(Rajesh Agrawal)
