Memo No. 1/17-2022 Co.(3)  
Dated, Panchkula 16.10.2023

**Sub: Regarding 18-25 age group survey data.**

Kindly refer the subject cited above.

This is in continuation of this office letter no. 1/17-2022 Co.(3) dated 24.05.2023, I have been instructed to inform you that, all DHEOs shall ensure the updation of survey data/data tagging of the students studying in their College/Polytechnics along with their siblings in the 18-25 age group. This data shall be completed within a week without failure.

It has also been observed that DOB tagging on CRID portal has been moving at a slow pace, with several institutes failing to update DOB information, so it is imperative that DHEOs take active measures to ensure that all nominated institutions under their jurisdiction participate promptly in the DOB tagging process. This action should be conducted alongside the remaining data update for the survey.
