Memo No. IT/2020/006
Dated, panchkula, the 25/02/2020

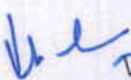

Subject: Regarding Creation of Online Management Information System (MIS) of teaching/non-teaching employees working in Aided Colleges.

Kindly refer to the subject cited above, the Department of Higher Education, Government of Haryana has developed online portal namely Management Information System (MIS) to create the fresh teaching/non-teaching employees database working in Aided Colleges in the Haryana State with the objective that it becomes the single source for all information for the data required by the Department to function efficiently and effectively. The information on MIS portal will also help streamline the Department's administrative process.

To initiate the process of Management Information System (MIS), it is divided in two steps as follows:

1. Registration of all teaching/non-teaching staff of college by College Principal.
2. Completion of Employee/Official Profile on MIS portal by each employee.

In first step, all Principals of Govt. Colleges are requested to register all their teaching/non-teaching staff on the MIS portal (**Link of MIS portal: 112.196.99.108/AMIS**). Credential of each college will be shared on college email id's (List of College Email Ids attached at Annexure 'A' on which login credential will be shared). All principal are advised to change the password on their first log in. Also, it is the responsibility of Principal to ensure the registration of each and every teaching/non-teaching staff of their college within 7 days of issuing of this letter.

 While registering the employee/official, Username and Password along with unique employee id of each and every employee/official will be generated by automated process and will be shared on the employee/official email id later on.

In second step, and after completion of registration process, each employee/official will log in on the MIS portal with their login credential and complete their MIS profile.
