Sir/Madam,

I am directed to address you on the subject noted above and to say that various unions of employees of State Government, Haryana, and some other bodies of employees and Trade Unions have given a strike call on 8.1.2020. The Government has examined the issues on which the call has been given. These issues at the moment do not warrant such a course of action on their part. Therefore, the Government does not consider the call legitimate.

2. You are, therefore, requested to prepare a contingency plan for your department office district so that office functioning and essential services to the public do not suffer on account of the strike. Also, if any one indulges in disruption of work, such persons should be dealt with firmly.

3. Reports regarding the employees i.e. absent, participating in strike and present on duty alongwith any major incident may be sent to the government through respective Administrative Secretaries at 12.00 Noon and 4.00 PM on 08.01.2020, at email address i.e. politicalbranch@gmail.com
