Letter No. : MSMETC/RTK/201907/07

Dear Sir,

We would like to draw your kind attention toward the MSME Technology Centre , Rohtak being setup under the Ministry of Micro Small Medium Enterprises , which will be " FIRST " of its kind for the " STATE OF HARYANA " with purpose of " SKILL DEVELOPMENT " of " YOUTH OF HARYANA " in field of General Engineering , so that they get employment. Apart from imparting skill, Technology Centre would be inculcating the entrepreneurial skills into a common person, providing them with the needed knowledge, developing the technical, financial, marketing and managerial skills and building the entrepreneurial attitude. Such entrepreneurial ideas not only will provide a career option for aspiring candidates but also have a multiplier effect on employment generation.

Sir, as you know that GOVERNMENT OF INDIA is working hard for MSME's development, as they play an essential role in the overall industrial economy of the country. Currently MSME's in India account for over 45% of India's manufacturing output. Thus, as part of Ministry of Micro Small Medium Enterprises another objective of this Technology Centre would be to provide support to MSME's established in the state of Haryana, which could be by providing trained manpower, resolving complex issues together or consultancy with regard to new technology etc so as to increase their contribution to GDP.

About MSME Technology Centre, Rohtak , Campus & Infrastructure :

Technology Centre campus is constructed in 19 acre land , consisting of Training block , Production Block , Admin Block , Exclusive canteen , Separate Hostel for Girls (with 50 occupancy) and Boys (100 occupancy) and Staff Quarters . It will have state of an art infrastructure including latest machines like EDM , Wire cut , CNC , VMC , 3D Scanner , Surface grinding AR/VR lab , in both training and production department.

Courses Offered:

The Technology Centre will provide professional training in over 20 courses like CAD/CAM (Autocad , Solid works , NX , NX CAM , CATIA , Ansys , Creo , Master cam , DelCAM) , Tool Design & CNC programming & operation, welding, electronics and IT, Industrial and process automation, with focus on General Engineering.

The course can be classified as:

- SHORT TERM COURSES (1day < x ≤ 3 months)
- MEDIUM TERM COURSES (3 months < x < 1 year)
- LONG TERM COURSES (x ≥ 1 year)

URGENT

Eligibility for Courses:

Candidates having Secondary Education (10th Class) up to Working professionals (includes students from ITI / Polytechnics / B.Tech seeking vocational training due to lack of such facilities at their respective institutes) are eligible to apply for various courses offered at Technology Centre .

Employability:

Ministry of Micro Small Medium Enterprises has its own job portal called "SAMPARK ", where students pass out from Technology Centre can enrol themselves. There are over 5000 companies linked to this portal, who actively looking for candidates.

Sir , through this letter we would request for your kind support to reach out to " YOUTH of HARYANA " for " GENERATING AWARENESS" , youth who are present in various school , colleges & industries , youth who are unemployed , youth looking for better carrier opportunity , youth aspiring to be entrepreneurs. Sir, we would like to work together to make vision of Government of India successful for STATE OF HARYANA.

Regards,

Ashkant
