D.O. NO. 19-16/2017-Stat(Part-II)
Dated: 21.02.2018

Dear Sir/Madam,

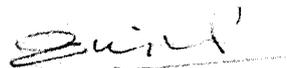

Kindly refer to my D.O. of even number dated: 11.01.2018 regarding Launch of All India Survey on Higher Education (AISHE), 2017-18. The Survey was started w.e.f. 5th January, 2018 and all the institutions of higher education are expected to upload the data by 4th March, 2018 - closing date of the survey. However, it is observed that the progress of data uploading is very low.

As you are aware that under the survey, data is collected on institutions' Basic details, teaching and non-teaching staff, programmes conducted under various Faculties/Departments, students enrolment including foreign students etc.

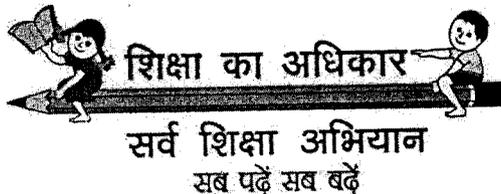

You may appreciate that complete, correct and timely response of all the institutions is essential for preparation of the reliable estimates of various educational indicators useful for policy and plan formulation in higher education sector.

I shall be grateful if you kindly give necessary instruction to all institutions of higher education in your State/UT for uploading the data on AISHE portal by the target date i.e. 4th March, 2018.

With regards,

Yours sincerely,

(Rajkumar)
