

From

Director General,
Higher Education, Haryana, Panchkula.

To

Nodals Officers
All Universities, College/ Stand Alone Institutions

Memo. No. DHE-25000/3/2021

Dated, Panchkula, the 2-7-2021

Subject: Participation of Institutions in All India Survey on Higher Education (AISHE.)-reg

The registration of new institutions on AISHE Portal for the 2020-21 Survey has been started since 07.12.2020. In this regard, the response of various institutions is still desired. Since, an incomplete coverage of institutions under the survey provides an incorrect picture of the higher education scenario of the state and also of the country as a whole. Therefore, you are requested to do the following:-

- (1) Ensure the current functional status of the non-responding institutions. If they are not functional; the concerned nodal officer is requested to de-affiliate them from the AISHE Portal. A consolidated list of such institutions may be sent to D/o Higher Education.
- (2) The non -responding institutions which are still functional may be requested to submit the DCF for AISHE 2020-21 once it is lunched, in order to avoid de-affiliation from AISHE Portal at ministry level (As you may aware, availing scholarship through National Scholarship Portal, applying for NAAC accreditation for the institutions etc. are linked with active AISHE registration of the institute)
- (3) The institutions that are newly established and not yet registered on AISHE Portal may be requested to register on AISHE Portal at the earliest so that they will be eligible to participate in the 2020-21 survey.

Your kind intervention is requested in this matter to expedite the new registration, uploading of relevant data of the Universities/affiliated colleges/ Stand Alone Institutions/Departments. The process of uploading the data for 2020-21 on AISHE Portal may be completed soon.

DA: As above
