Annual Report

ANNUAL REPORT 2021-2022

GCG Nacholi is a newly established rural college for girls which started functioning in August 2018. The endeavor of the Government of Haryana to make higher education accessible to the girl students, from rural areas, was the driving force behind the setting up of this college.

A sprawling campus, spread over 12 acres, equipped with the latest amenities and modern teaching tools like smart classrooms, air-conditioned digital library, fully equipped laboratories, a multi-purpose auditorium, a 6-acre sports field and separate offices for diverse activities are almost ready in the upcoming building at Village Nacholi. The college offers undergraduate courses in Bachelor of Arts (B.A) and Bachelor of Commerce (B.Com) and currently has a student strength of 456, up from 93 in the first batch. A teaching Faculty of 8 and non-teaching staff of 5 is the backbone of this college. We have limited resources and are short of hands but are never short off energy and vigour to work for the growth of this institution. Our students too remain involved in various activities all through the academic year as all college departments provide automatic membership to them in their societies, clubs, and cells. As a result, there is always an atmosphere of learning, living and celebration in the campus.

Sir, it is because of this mutual collaboration that we are able to organize successfully almost every important event all around the year. Many events overlap amongst various subject societies, clubs and cells as the same students and same staff members are involved in these activities. I take pride in sharing with you a consolidated report of our achievements and actions during this ongoing academic year 2021-22.
