09th January, 2024

Dear State Nodal Officer,

Wish you a very Happy New Year and Season's greetings.

2. AISHE 2022-23 has been launched on 5th January 2024 and is to be completed in a time bound manner. In view of the increased reliance on the AISHE Data, it is imperative to ensure that the Institutions upload their entire Data accurately. In AISHE 2022-23 Web DCF, improvements have been made as per discussions held with the State Nodal Officers in October 2023. To facilitate the institutions, more validation checks of data, pop-ups, Tooltips have been introduced at appropriate places. The NEP module has been improved and also expanded for colleges as well, to get more information on NEP parameters.

3. I compliment you for the better coverage and improved quality of Data in the AISHE 2021-22. Likewise, I request you to once again ensure better coverage and accurate uploading of AISHE Data of Institutions in your States, especially in social category-wise enrolment, seat intake, in-position teachers and sanctioned teachers, infrastructure, NEP module, etc. Further, I would request to ensure that all Institutions correctly furnish their precise location (Longitude/Latitude), so that they are able to be accurately mapped geographically.

With warm regards,

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'R. Rajesh'.

(R. Rajesh)

To,
State Nodal Officers
